Email body

Hello Hiring Manager

I'm writing about the End User Services Engineer VIC (Intune MDM, Kandji) position with Canon Business Services. This role matches my combination of Microsoft 365, Intune, Windows 11, Autopilot, endpoint lifecycle and customer-facing managed-services support.

My background includes enterprise technical support, endpoint lifecycle management, field infrastructure, systematic fault-finding, customer communication and process-focused documentation.

The areas most relevant to the role are Microsoft 365, Intune, windows.

I'd welcome a brief conversation about the role and any position-specific requirements.

Regards

Sam Ludwig
