Email body

Hello Hiring Manager

I'm writing about the Data Center IT Support Engineer, MEL - DCO position with Amazon.com. The Amazon data-centre IT support role matches my endpoint support, hardware diagnostics, physical infrastructure, incident response, and disciplined operational-procedure experience.

My background includes enterprise technical support, endpoint lifecycle management, field infrastructure, systematic fault-finding, customer communication and process-focused documentation.

The areas most relevant to the role are Intune, itil, data-centre operations.

I'd welcome a brief conversation about the role and any position-specific requirements.

Regards

Sam Ludwig
