Email body

Hello Hiring Manager

I'm writing about the EUC Engineer position with APM. This role matches my hands-on endpoint delivery across Intune, Autopilot, Windows 10/11, application deployment, compliance, diagnostics and lifecycle management.

My background includes enterprise technical support, endpoint lifecycle management, field infrastructure, systematic fault-finding, customer communication and process-focused documentation.

The areas most relevant to the role are Intune, windows, Autopilot.

I'd welcome a brief conversation about the role and any position-specific requirements.

Regards

Sam Ludwig
