Hello Hiring Manager

I'm writing about the Sports Team Member position with City of Hobsons Bay. The community-facilities focus fits my customer-facing service, asset-control and field-work background. I would need to confirm the balance of indoor administration, sports operations and outdoor duties.

My background includes enterprise technical support, endpoint lifecycle management, field infrastructure, systematic fault-finding, customer communication and process-focused documentation.

The areas most relevant to the role are data-centre operations, customer support.

I'd welcome a brief conversation about the role and any position-specific requirements.

Regards

Sam Ludwig
