Hello Hiring Manager

I'm writing about the ICT Support Technician position with your organisation. The work is a close match for my recent endpoint and service-desk experience. The Moorabbin location also makes the role practical from St Kilda.

My background includes enterprise technical support, endpoint lifecycle management, field infrastructure, systematic fault-finding, customer communication and process-focused documentation.

The areas most relevant to the role are Intune, windows, ServiceNow.

I'd welcome a brief conversation about the role and any position-specific requirements.

Regards

Sam Ludwig
