Hello Hiring Manager

I'm writing about the Crew Member - Open Space Assets position with Glen Eira City Council. This role offers a practical local pathway where my field infrastructure, HVAC service, physical fault-finding, site assessment, documentation, and dependable work ownership are directly relevant. Role-specific parks skills and licences need confirmation.

My background includes enterprise technical support, infrastructure and endpoint delivery, systematic fault-finding, customer communication, process-focused documentation, and automation.

The areas most relevant to the role are open space assets, parks services, maintenance.

I'd welcome a brief conversation about the role and any position-specific requirements.

Regards

Sam Ludwig
