Email body

Hello Hiring Manager

I am writing about the IT Helpdesk Support Officer - APS 4 position with Australian Taxation Office. This ATO helpdesk role matches my recent government and enterprise support work, including structured incident handling, endpoint troubleshooting, user communication, asset processes, escalation, and clear operational records.

My background includes it helpdesk, service desk, windows, incident management, enterprise technical support, systematic fault-finding, process-focused documentation, and customer communication.

I would welcome a brief conversation about the role and any position-specific requirements.

Regards

Sam Ludwig
