

SAM LUDWIG

Infrastructure & M365 Engineer

Melbourne, VIC | 0405 993 245 | sam.ludwig@gmail.com | linkedin.com/in/sam-ludwig | samludwig.au

13 June 2026

Dear Hiring Manager at simPRO,

I am writing to express my interest in the Sales Engineer role at simPRO. I am an infrastructure engineer with a strong track record of stakeholder engagement, client workshops, and solution design - the technical depth to understand complex problems and the communication skills to explain solutions clearly.

At Engage Squared, I delivered enterprise SharePoint intranets for Victoria Police, Transurban, and Cimic Group, running client workshops that drove a 20% increase in M365 platform adoption. I have extensive experience with M365 security (Conditional Access, MFA, Defender, Purview), Azure infrastructure, and compliance frameworks including ACSC Essential 8 and ISO 27001.

I hold Microsoft Certified: Azure Administrator Associate (AZ-104), ITIL 4 Foundation, and Certified Scrum Master. I understand enterprise buying cycles, technical validation, and the consultative approach required in pre-sales environments.

I am immediately available and would welcome the opportunity to discuss how my technical knowledge and customer skills can drive value for simPRO.

Kind regards,

Sam Ludwig
