Email body

Hello Hiring Manager

I'm writing about the Service Desk Technician position with ASSA ABLOY Group. The Oakleigh service-desk role matches my recent L1/L2 endpoint support, Windows troubleshooting, incident handling, hardware diagnostics and customer communication experience.

My background includes enterprise technical support, endpoint lifecycle management, field infrastructure, systematic fault-finding, customer communication and process-focused documentation.

The areas most relevant to the role are Intune, windows, ServiceNow.

I'd welcome a brief conversation about the role and any position-specific requirements.

Regards

Sam Ludwig
