Email body

Hello Hiring Manager

I'm writing about the Site Support Senior Technician position with Computershare. Office-based senior site-support role combining endpoint troubleshooting, user support, technical ownership and continuous learning in a large enterprise environment.

My background includes enterprise technical support, endpoint lifecycle management, field infrastructure, systematic fault-finding, customer communication and process-focused documentation.

The areas most relevant to the role are Intune, customer support.

I'd welcome a brief conversation about the role and any position-specific requirements.

Regards

Sam Ludwig
