Email body

Hello Hiring Manager

I'm writing about the Computer Network and Systems Engineer position with Converged Medical Solutions. The Converged Medical Solutions role matches my Microsoft 365, managed-services, healthcare-technology, endpoint, identity, and structured troubleshooting experience.

My background includes enterprise technical support, endpoint lifecycle management, field infrastructure, systematic fault-finding, customer communication and process-focused documentation.

The areas most relevant to the role are Microsoft 365, Entra ID, Intune.

I'd welcome a brief conversation about the role and any position-specific requirements.

Regards

Sam Ludwig
