Email body

Hello Hiring Manager

I'm writing about the Microsoft M365 Systems Administrator position with Visy. Large-scale Microsoft 365 administration and continuous-improvement role with security, compliance and platform-optimisation work. The listing shows a closing date of August 14, 2026.

My background includes enterprise technical support, endpoint lifecycle management, field infrastructure, systematic fault-finding, customer communication and process-focused documentation.

The areas most relevant to the role are Microsoft 365.

I'd welcome a brief conversation about the role and any position-specific requirements.

Regards

Sam Ludwig
