Email body

Hello Hiring Manager

I'm writing about the L1 Helpdesk Technician (VIC) position with Comwire IT. This role matches my practical experience supporting end users by phone, remote tools, and face-to-face engagement while resolving hardware, software, access, and connectivity issues within SLA.

My background includes enterprise technical support, infrastructure and endpoint delivery, systematic fault-finding, customer communication, process-focused documentation, and automation.

The areas most relevant to the role are I1 helpdesk, technical assistance, hardware.

I'd welcome a brief conversation about the role and any position-specific requirements.

Regards

Sam Ludwig
