Email body

Hello Hiring Manager

I'm writing about the Senior Cloud and Infrastructure Engineer position with Crown Resorts. This role closely matches my background in Azure adoption, infrastructure operations, hybrid identity, security-aware change, automation, and operational ownership across government, healthcare, and enterprise environments.

My background includes enterprise technical support, infrastructure and endpoint delivery, systematic fault-finding, customer communication, process-focused documentation, and automation.

The areas most relevant to the role are cloud infrastructure, Azure, enterprise operations.

I'd welcome a brief conversation about the role and any position-specific requirements.

Regards

Sam Ludwig
