Professional Summary

Customer-focused operations professional with frontline support, inventory coordination, team communication, prioritisation under pressure, and reliable service delivery in high-volume environments.

Profile

This is a practical part-time pathway. My direct experience is in customer-facing technical operations rather than hospitality, but I bring fast-paced service delivery, stock handling, clear communication, shift discipline, and a willingness to complete any required food-safety training.

Skills

Customer service, team support, shift prioritisation, inventory coordination, issue resolution, clear communication, process discipline, safety awareness, and reliable attendance

Professional Experience
