Email body

Hello Hiring Manager

I am writing about the Workplace Technology Analyst position with Yarra Valley Water. This workplace technology role aligns with my experience improving the endpoint and Microsoft 365 experience through practical support, migration, policy validation, automation, user communication, and durable documentation.

My background includes workplace technology, Microsoft 365, Intune, windows, enterprise technical support, systematic fault-finding, process-focused documentation, and customer communication.

I would welcome a brief conversation about the role and any position-specific requirements.

Regards

Sam Ludwig
