Dear Hiring Manager at Test Company,

I am writing to express my interest in the position. With 6+ years of experience in Microsoft 365 and infrastructure engineering, I bring the technical depth and stakeholder focus this role demands.

My experience includes managing the largest SharePoint farm in the Southern Hemisphere (660,000+ users), serving as Tier-3 escalation for the Department of Education Victoria, and leading Windows 11 migrations across 100+ clinical endpoints.

I hold Microsoft Certified: Azure Administrator Associate (AZ-104), ITIL 4 Foundation, and Certified Scrum Master certifications.

I am immediately available and eager to bring my expertise to your team.

Kind regards,

Sam Ludwig
