Email body

Hello Hiring Manager

I am writing to express my interest in the End User Services Engineer VIC (Intune MDM, Kandji) position with Canon Business Services. Your End User Services Engineer opportunity matches my combination of Microsoft 365, Intune, Windows 11, Autopilot, endpoint lifecycle and customer-facing managed-services support.

My background includes enterprise technical support, endpoint lifecycle management, field infrastructure, systematic fault-finding, customer communication and process-focused documentation. I have attached a targeted résumé and cover letter for review.

The most relevant points are: Core infrastructure, Tailored existing materials, Verify listing.

I would welcome the opportunity to discuss the role and confirm any position-specific requirements, including licences, qualifications, checks, roster conditions or work-site arrangements.

Regards

Sam Ludwig
