Hello Hiring Manager

I'm writing about the Team Member position with Nando's - Chevron. The listing says no experience is needed and highlights training. My recent support roles demonstrate customer communication, reliable procedures, teamwork, queue management and the ability to learn systems quickly.

My background includes enterprise technical support, endpoint lifecycle management, field infrastructure, systematic fault-finding, customer communication and process-focused documentation.

The areas most relevant to the role are customer support.

I'd welcome a brief conversation about the role and any position-specific requirements.

Regards

Sam Ludwig
