Email body

Hello Hiring Manager

I'm writing about the Senior Systems Engineer position with St Vincent's Health Australia. Senior systems role supporting and scaling critical healthcare infrastructure. Strong overlap with enterprise Microsoft, endpoint, identity and service-operations experience.

My background includes enterprise technical support, endpoint lifecycle management, field infrastructure, systematic fault-finding, customer communication and process-focused documentation.

The areas most relevant to the role are Entra ID, Intune, healthcare technology.

I'd welcome a brief conversation about the role and any position-specific requirements.

Regards

Sam Ludwig
