Subject

Application - Senior/Associate Electrical Engineer - Substations / Data Centres - Sam Ludwig

Email body

Hello Hiring Manager

I'm writing about the Senior/Associate Electrical Engineer - Substations / Data Centres position with WSP USA. Adzuna listing for Senior/Associate Electrical Engineer - Substations / Data Centres at WSP USA

My background includes enterprise technical support, endpoint lifecycle management, field infrastructure, systematic fault-finding, customer communication and process-focused documentation.

The areas most relevant to the role are data-centre operations.

I'd welcome a brief conversation about the role and any position-specific requirements.

Regards

Sam Ludwig
