Email body

Hello Hiring Manager

I'm writing about the Cloud R Analyst position with Epicor Software. I bring practical cloud-operations experience spanning complex incident ownership, cross-team triage, automation, application support, documented RCA, and durable preventive fixes.

My background includes enterprise technical support, infrastructure and endpoint delivery, systematic fault-finding, customer communication, process-focused documentation, and automation.

The areas most relevant to the role are tier 2 incidents, cloud-hosted applications, infrastructure.

I'd welcome a brief conversation about the role and any position-specific requirements.

Regards

Sam Ludwig
