Email body

Hello Hiring Manager

I'm writing about the System Administrator position with Oasis Services Australia Pty Ltd. I bring hands-on administration across enterprise user access, Windows and endpoint lifecycle, hybrid identity, troubleshooting, patching, automation, and operational documentation.

My background includes enterprise technical support, infrastructure and endpoint delivery, systematic fault-finding, customer communication, process-focused documentation, and automation.

The areas most relevant to the role are systems administration, user access, device support.

I'd welcome a brief conversation about the role and any position-specific requirements.

Regards

Sam Ludwig
